

Francisco Palacios

Software Engineer

(323) 828-9518 [Github Profile](#) [LinkedIn Profile](#) Personal Site francisco.palacios.jav@gmail.com

Los Angeles, California

SKILLS

Languages: Javascript, Python, SQL, HTML, CSS

Framework/Tools: React, Redux, Flask, Express.js, Node.js, SQLAlchemy, Sequelize, Docker, Git

Key Skills: Pair Programming, Object-Oriented Programming(OOP)

PROJECTS

Help! (Python, JavaScript React, Redux, Flask, SQLAlchemy HTML ,CSS,)

[Live Site](#) | [Github](#)

A Yelp inspired application that allows you to create businesses and leave reviews.

- Designed dynamic data-visualizations for a business's ratings with Javascript implemented algorithms based on user input
- Created custom modal framework using React component architecture allowing for efficient development of new forms.

CloudSounds (JavaScript, React, Redux, Express.js, HTML, CSS)

[Live Site](#) | [Github](#)

A SoundCloud inspired music uploading application.

- Ensured user privacy and autonomy through frontend and backend authentication measures, allowing users to only access and make changes to their own songs and albums when logged in.
- Created top-level music player using React Player, giving the user seamless audio streaming during navigation.

Nah-sana (Python, JavaScript React, Redux, Flask, SQLAlchemy HTML ,CSS,)

[Live Site](#) | [Github](#)

A group project based on the project management application Asana used to facilitate planning projects.

- Collaborated with 3 software engineers to design, plan and implement both the frontend and backend for this project.
- Planned a Git workflow to cause minimal merging conflicts and issues using Git.

EXPERIENCE

Subway

Los Angeles, California

Cashier/Food prep

June 2016 – March 2020

- Planned, managed and coordinated weekly inventory deliveries of 300+ items.
- Provided excellent customer service to 50+ customers daily.
- Learned to work as a coordinated team in an assembly line to provide quick, easy and quality service to customers.

EDUCATION

App Academy

New York, New York

Curriculum of Study in Web Development (JavaScript and Python)

March – October 2022

California State University, Northridge

Northridge, California

Bachelor of Arts in Economics

Class of 2021
